

## Message from Parish Cluster 23 Planning Group

---

Members of the Parish Cluster 23 group have been collecting data from the Bridgton, Gorham, Westbrook and Windham parish communities to learn more about the talents and treasures within. We are excited to welcome Fr. Brissette from the Westbrook Catholic Community to our group, as well as Martha Conroy who has been named our parish cluster facilitator by the Diocese Parish Planning Committee. Together we continue to work towards a greater understanding of each other before any recommendations for a future administrative model can be made to Bishop Malone. Again, we commit to communicating openly and honestly with all of you, and we encourage you to provide us with your feedback and concerns at any time during the process. Members of the group include:
